

## **DCA Podcasts Archive (2022/23)**

### **Trustees' Week - November 2023**

To celebrate Trustees' Week 2023, we have recorded a series of podcasts to celebrate the individual talents, viewpoints and experiences each trustee brings to their board.

### **Cree Network - September 2023**

This podcast focuses on the Cree Network that consists of 40 Cree groups that operate to support and promote the health and wellbeing of County Durham residents.

### **Vision for Volunteering - July 2023**

This podcast focuses on the power of volunteering, a reflection on Volunteers' Week and the Vision for Volunteering, a ten-year collaborative project designed to create a better future for volunteering.

### **Energy Efficiency and Climate Action - May 2023**

This podcast focuses on energy efficiency and climate action within the voluntary and community sector.

### **Social Prescribing - March 2023**

This episode celebrates Social Prescribing Day and focuses on the role of social prescribing link workers in County Durham and their network.

### **Village Halls Week - January 2023**

This podcast celebrates Village Halls Week (23rd - 27th January); the theme of this year's campaign will look at how village halls can provide warm, welcoming and inclusive spaces, something which is especially important as the country faces a cost-of-living crisis.

### **Safeguarding - December 2022**

This podcast focuses on safeguarding within the voluntary and community sector in County Durham and the importance of training and safeguarding policies and procedures for staff and volunteers.
